**NEPAL ELECTRIC,
POWER AND LIGHTS**
INTERNATIONAL EXPO

**18-19-20
DECEMBER 2026**

Bhrikuti Mandap Exhibition Hall,
Kathmandu, Nepal

*Unleashing
the Latest Technology In
the **Electric, Power** and **Lights** Industry*

About *Nepal Electric, Power And Lights International Expo 2026*

5th Nepal Power, Electrical, and Lights International Expo 2026 is a dynamic platform presenting the latest innovations and solutions in power, electrical, energy and lighting sectors. By connecting industry professionals and enthusiasts in the South Asian hub of Nepal, our expo fosters collaboration and propels progress in the ever-evolving Power & Elec landscape.

We go beyond traditional exhibitions, creating an immersive experience that values human connections. Our goal is to unite like-minded individuals passionate about sustainable energy solutions. Through networking, knowledge-sharing, and business opportunities, we lay the foundation for fruitful partnerships that contribute to a greener future.

In our exhibitions, one can discover cutting-edge technologies and innovative solutions meticulously curated by, our dedicated team of professionals. From renewable energy sources to smart grids and intelligent lighting systems, witness the transformative power of human innovation firsthand. Engage with industry leaders, explore interactive displays, and gain insights into the latest advancements, all under one roof.

Join us at the 5th Nepal Power, Electrical, and Lights International Expo 2026, where visionaries, engineers, entrepreneurs, and stakeholders unite in the capital city of Kathmandu in Nepal.

5th Nepal Electric, Power And Lights International Expo

Focusing Sectors

***The Incredible Opportunity to
Learn, Grow, and Network***

Development paved the path for exponential growth in:

- ▶ Power & Energy
- ▶ Wires & Cables
- ▶ Electro Energetics
- ▶ Transmission & Distribution Equipment
- ▶ LED and Lighting
- ▶ Renewable Energy
- ▶ Electricals & Electronics
- ▶ Home Appliances
- ▶ Consumer Electronics

COUNTLESS POSIBILITIES ARE READY TO UNFOLD

Strengthening the core through Reliability, Quality and Safety of electrical products and equipment

New business opportunities with capital investments in Power & Elec ecosystem

Strengthening the Supply Chain through vendor development in Small, Medium and Micro Industries

Perforation by the Start-Ups

Innovation & Future technologies in storage of energy efficient materials

Sustainability through Energy Conservation, Net Zero Smart Consumption

Right Skilling Talent Upgrading & Industry Academia INTERCONNECT

UNLIMITED OPPORTUNITIES AT 5th NEPAL **ELECTRIC, POWER AND LIGHTS** INTERNATIONAL EXPO

AS AN EXHIBITOR

- Display your latest machinery, technology, products & services.
- Brand building among industry and end users.
- Explore new business and investment opportunities.

AS A SPONSOR

- Benefit from an ideal time, place and opportunity to get noticed.
- Enhance your leadership status.
- Project a long lasting brand image to a targeted audience.

AS TRADE VISITOR

- Find about the latest technology, machinery and services available in the market.
- Find about sources of investments & funding.

and Much More to Explore...

WHY EXHIBIT?

- ▶ Market Access to the Growing Nepalese Power, Electric and Lighting Sectors
- ▶ Networking Opportunities With Industry Professionals, Government Officials, and Potential Partners
- ▶ Increased Brand Exposure and Recognition Among a Targeted Audience
- ▶ Product Showcase to Demonstrate Features, Benefits and Capabilities
- ▶ Gathering Market Intelligence and Insights on Current Trends and Demands
- ▶ Competitive Advantage by Positioning Your Company as an Industry Leader
- ▶ Potential for Collaborations, Distribution Agreements and Joint Ventures

WHY VISIT ?

- ▶ Engage with the exhibitors who are showcasing the latest products in the field of Electricals, Lighting, Power, Energy and Allied Industries.
- ▶ Partnership with new suppliers, buyers and business partners looking to do business.
- ▶ Network with the various professionals from the Power & Elec sector who will be attending the show.
- ▶ Discover thousands of products on display and evaluate competing solutions in Electric across all categories.
- ▶ Explore innovative and cost effective solutions to benefit your business.
- ▶ Stay up-to-date with the latest trends in Electric and gain new ideas to advance and grow your business.

EXHIBITORS PROFILE

Power & Energy

- ▶ Geothermal, Thermal Power, Decentralized Generation, New & Renewable Energy Plants, Generators and Diesel Generating Sets, Wind and Solar Power Equipment, Electric Drives, Batteries, inverters, UPS Systems

Transmission & Distribution Equipment

- ▶ Transmission Lines, Towers & Accessories, SubStation Equipments, Power and Distribution Transformers, Switchgear and Control gear, Measuring Instruments and meters, Cables and Conductors, Cabling and Wiring Products and accessories, Capacitors, Insulators, Insulation Materials and Electrical ,Components, Equipment for Alternate Sources of Energy

Electricals & Electronics

- ▶ Electronics Components and Modules, Production Facilities and Components for Electrical Industry, Lasers, Photonics and Fine Mechanics; Electro mobility – AMPER MOTION

Lighting

- ▶ Lighting Fixtures and Accessories, Lamps and LEDs, Bulbs, Tubes, Lighting Systems and Solutions

Home Appliances

- ▶ Household Electrical Appliances and Products, Safety Systems and Devices, Regulating and Control Equipment, Automation Systems, Rotating Machines, Energy Saving Equipments

Electro Energetics

- ▶ Power Generation, Transfer and Distribution Conductors and Cables; Electric Installation, Building Management and Security Systems; Lighting Devices and Systems; Electro Thermal Technology; Tools and Equipment; Software Development, IT and Automation

VISITORS PROFILE

- ▶ Utilities & IPP's Public and Municipal Utility Owners & Managers
- ▶ Government and Regulatory Executives
- ▶ Independent Power Producers
- ▶ Original Equipment Manufacturers
- ▶ Plants & Project Management Power / Heat Plant Owners & Operators
- ▶ Plant Service Sector
- ▶ Project Developers & Managers
- ▶ Engineers Design / Structural / Construction Engineers
- ▶ Industrial Facilities Personnel Mechanical / Electrical Plant Engineers
- ▶ Investors & Advisors Strategic and Portfolio Investors
- ▶ Industry Consultants and Advisers
- ▶ Energy Traders & Trade Pres
- ▶ EPC Contractors & Electroene

About Venue

BHRIKUTI MANDAP EXHIBITION HALL, it is the popular exhibition hall which is located in Kathmandu, Nepal. This event venue is named after the Bhrikuti Mandap temple, which is located next to it. It is a multi-purpose venue which is used for various events including exhibitions, trade fairs, cultural events and conferences. It has a large exhibition area where a significant number of exhibitors and visitors can be accommodated. This exhibition hall is well equipped with the modern facilities such as Wi-fi, air conditioning, audio-visual equipment and ample parking space for visitors and exhibitors. It is easily accessible by public transport and is located in the heart of the city. Over the years, it has hosted numerous exhibitions, events including the Kathmandu Food Festival, the Nepal International Trade Fair and many more.
